

New Member Subscription Fees Effective February 2026

Our membership year runs from 1st March to end February the following year. If you join us mid-year, your initial subscription will be adjusted to take you up to either the next 1st March date or 1st March the following year on a pro rata basis. Check your joining month below to find out the initial subscription fees for both full and associate members. If you're joining as a couple, simply double the fee.
